Lecture-1	Python basics (data structures, flow controls, and functions)	08-04-2023	Ashok		1. Data Structures 2. Flow controls 3. Functions
	Quiz-1	12-04-2023			
	Assignment-1			14-04-2023	

Benefits

- 1) A Student Coordinator certificate to benefit your professional growth.
- 2) The opportunity to interact with MS/PhD scholars in LTRC Lab.
- 3) Recognition for further opportunities at IIIT Hyderabad.

Responsibilities

1. Should convey the information to your batch (assigned to you) as early as possible.
2. Able to up to date on remote internship activities.
3. Always keep in touch with the organisers of this internship.
4. Help the organisers to run this remote internship smoothly and other tasks.
